These bookcase shelves have been made with old softwood plank flooring and rough-sawn lumber, a variety of moldings, trim and wainscoting. The medium bookcase has two fixed shelves. It's a perfect cabinet to display your favorite classics!

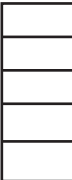

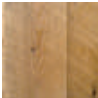

All ReFurnishings pieces are sealed to keep old paints and finishes in their place. This produces a smooth, durable surface ready for today's home.

Note: size and molding may vary slightly.

Medium Bookcase has a lovely backstop detail
