This wine cabinet is a wonderful addition to our ReFurnishings line of home furnishings. This stylish cabinet is designed around an antique multi-pane window and is made using salvaged planking as sides and wainscoting for the cabinet back. Authentic distressed moldings trim the top and bottom of the piece. The door opens to reveal three fixed shelves and two removable wine bottle rests. The reclaimed handle and hinges round out the rustic look.

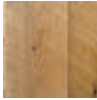

All ReFurnishings are sealed to keep old paints in their place. This produces a smooth, durable surface ready for today's home.

Note: size and molding may vary slightly.
