Wardrobes are a furnishing that remind us of a simpler past. Our Wardrobe is full of that romance. It not only hangs a closet full of clothing, it is an impressive addition to any room.

A feature panelled door is used to create either a two or four door wardrobe. The doors are finished with antique brass door pulls. As usual we add a base and crown made from salvaged moldings. It's in these little details that the piece really comes alive.

All ReFurnishings pieces are sealed to keep old paints in their place. This produces a smooth, durable surface ready for today's home.

Note: sizes may vary depending on door available.
