Just right for bedside or sofa-end needs, these tables are a perfect fit for small spaces. The tops, sides and doors are constructed from salvaged softwood planks. The tapered legs gives the table an elegant look. The door creates valuable storage space for things you want handy, but out of sight. (Fits most telephone books!)

All ReFurnishing tables are sealed with a clear water-based laquer finish. This produces a smooth, durable surface ready for today's home.

Sold in matching pairs, with opposite door openings.
